☒ Advantage+ placements (recommended)

Use Advantage+ placements to maximise your budget and help show your ads to more people. Facebook's delivery system will allocate your ad set's budget across multiple placements based on where they're likely to perform best.

☐ Manual placements

Manually choose the places to show your ad. The more placements you select, the more opportunities you'll have to reach your target audience and achieve your business goals.

Collaboration Opportunity with EcoGlow – Eco-Friendly Skincare

Hi Amanda,

I hope you're doing well! 🌿

I absolutely love your content and how you inspire your community toward clean, sustainable living. Your values and content align so perfectly with what we stand for at **EcoGlow**.

We are a new **eco-friendly skincare** brand committed to creating effective, natural, and cruelty-free products with sustainable packaging and ethical practices.

We would love to collaborate with you to promote our new skincare range to your amazing audience. We can offer you complimentary products to try, along with a paid partnership for content (post/reel/story) that feels authentic to you.

Let me know if this is something you'd be interested in – I'd be happy to share more details!

Looking forward to the possibility of working together. ✨

Warm regards,

Nilesh Bhalekar

Marketing Manager – **EcoGlow Skincare**
